

BELT TECH INC – WARRANTY & CONDITIONS

OFFER & ACCEPTANCE:

Belt Tech Inc's acceptance of Buyer's order to purchase Services, or Products is expressly made conditional on assent to the Terms and Conditions, which along with any applicable sales order issued by Seller constitute a binding "Contract" between the parties. This Contract constitutes the complete and final agreement between Seller and Buyer for Products and Services. Any additional or different conditions contained in any document furnished by Buyer, including but not limited to, any purchase order or any acknowledgement, are deemed to be material and are hereby objected to and rejected by the Seller. If such agreement shall be deemed an offer or counter – offer by Buyer, Seller expressly rejects such offer or counter – offer and limits acceptance to these Contract terms and expressly objects to any different or additional terms proposed by Buyer. Any actual performance by Buyer or Seller thereafter shall be deemed a renewal of the offer contained in this Contract and Acceptance of this Contract without change. In the event of a conflict between the terms of this contract and the terms of any other document, the terms of this Contract shall control. This offer to purchase Seller's Services or Products is valid for thirty (30) days from the date of this Sales Order.

In the event of a significant general material price increase (as measured by any applicable third-party material price index) after Buyer's purchase order, Seller reserves the right to charge a material surcharge calculated to recoup the actual increase in material cost for the products subject to the purchase order which is attributable to such general material price increase. Documentation of the general material price increase and the actual increase in material cost will be provided to the Buyer upon written request.

WARRANTY – BELT VULCANIZED SPLICE/REPAIR (LAP OR FINGER)

NEW BELT – Limited Liability Warranty will cover quality and workmanship of the vulcanized splice for a period of twelve (12) months. The amount of the repair, or replacement of the defective splice will be prorated from the time the new installation was completed. The following conditions will void applied warranty:

1. If the defective splice is disposed of prior to Belt Tech Inc's inspection and evaluation of the failed splice.
2. Splice was damaged due to structural failure of the belt line components, tracking issues, or any damage caused by faulty components or human error.

BELT TECH INC – WARRANTY & CONDITIONS
